**FOR IMMEDIATE RELEASE****BUNGALOW 5 OPENS NEW SHOWROOM IN HEART OF DALLAS DESIGN DISTRICT**

**DALLAS, TEXAS**, May 18, 2015 - Seale Realty Advisors, a high-end design and fashion retail real estate consulting firm in Dallas, Texas, today announced Bungalow 5 will open its fifth design showroom in the heart of the Dallas Design District at 1201 Oak Lawn Avenue. They will join Grass Roots Designs and restaurant El Bolero at the newly renovated property represented by DW & Company Commercial Real Estate. The 6,800 square foot showroom is scheduled to open in the fall of 2015.

“The most significant advantage of the new location, situated at the corner of Oak Lawn Avenue, and Market Center Boulevard, is its accessibility for the design community and the emerging urban infill of residential complexes in the surrounding area,” said Alice Seale. “Bungalow 5 is the perfect addition to the evolving landscape of the Dallas Design District that continues to enjoy a thriving Texas economy.”

**About Seale Realty Advisors**

**Seale Realty Advisors** is a firm dedicated to providing expertise in the areas of high-end design and fashion retail real estate services to both retailers and landlords. Their experience in project leasing, tenant representation, portfolio management and investment sales spans the United States and Puerto Rico. They deliver the business intelligence that positions organizations to make the strategic decisions that optimize capital while staying nimble in the ever-evolving retail real estate market. SRA has built a broad network of retailers and landlords that allows them to leverage and access to critical information and contacts that will heighten performance and maximize success.
